

To comply with GDPR (General Data Protection Regulation) we require members to respond to the questions below:

- Throughout the year we will email out information about club coaching, competitions, social events and Club related news. Do you agree to receiving this info? (YES/NO)
- To facilitate the club championships, we would look to add the member's telephone number to the draw posted in the clubhouse to enable members to contact each other to arrange matches. Do you agree to this? (YES/NO)
- Occasionally we take photos which may be used for promoting the club in publications, online and on social media. Do you agree to having your or your child's photo to be used in this way? (YES/NO)

If you do not specify or return a form to the Membership Secretary we will assume your agreement to each of the above. Finally, we will post a list of members printed names in the clubhouse (with no contact details) to enable the identification of members using the club.
